

THIS HOLIDAY
SEASON WARM THE
HEART OF A CHILD
IN RUSSIA WITH A
COZY SWEATSHIRT...

There are currently more than 3,000 children living in *Detsky Doms* (which means *children's homes*) in St. Petersburg. Many of these children have been separated from their families either by death or through the ravages of a lifestyle dominated by alcohol abuse, poor health, crime, violence, despair, and hopelessness.

Would you like to reach out and help the children left at the Detsky Doms by sending them warm, cozy sweatshirts to help them get through the bitter cold in Russia? We can help warm them through your generous gift of love. Help us to let them know that they are loved and remembered by friends in America. If you are interested in making a donation please complete the section below & return to Detsky Dom Partners.
